

Visiting Research Fellow Program

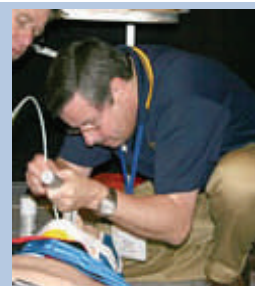

Tuesday 29 & Wednesday 30

September 2009

Professor Malcolm Woollard

Pre-hospital and Emergency Care

The RCS is pleased to announce that Professor Malcolm Woollard an eminent clinician, teacher and researcher in Pre-Hospital care is coming to the Rural Clinical School as part of the Visiting Research Fellow program in 2009.

Prof Woollard holds a number of positions at Coventry University in the UK, including Professor in Pre-hospital and Emergency Care and Director, Pre-hospital, Emergency & Cardiovascular Care Applied Research Group. He is also Chair of the College of Paramedics (British Paramedic Association) and an Honorary Consultant Paramedic, West Midlands and South East Coast Ambulance Service, NHS Trusts.

He has existing Australian connections as Professor in Pre-hospital Care at Charles Sturt University in Wagga Wagga NSW, and is Honorary Senior Research Fellow with Monash University in Victoria.

We envisage an enlightening and exciting program and hope you will join us!
