

My Degree Planner

73B Bachelor of Computing - Bachelor of Information Systems

- Consult the UTAS Course and Unit Handbook for the units of your degree – these are presented in Schedules.
- Use this planner to help plan out your degree. For the Computing component of the combined degree, you need to use the BComp Schedules to select 4 introductory computing units – 2 for a BComp Major (i.e., Computing, Games Technology, or Human Interface Technology) and 2 for a BComp Minor (linked to the Major). For the Information Systems component, enrol in the units shown.
- Enrol online at the eStudentCentre: www.studentcentre.utas.edu.au

What are the requirements for my degree?

You need to complete 32 units, consisting of a major in each degree (16 units), a minor in each degree (8 units) and 4 degree electives in each degree (8 units). You need to ensure that the total number of units in the degree complies with the ranges below:

Introductory level: a minimum of 8 and a maximum of 12 units

Intermediate level: a minimum of 8 and a maximum of 16 units

Advanced level: a minimum of 8 and a maximum of 16 units

What are degree electives?

Degree electives are units chosen from the degree Schedules. For each component of this combined degree, you can select up to 2 degree electives at the introductory level. Your remaining degree electives must be intermediate / advanced level units.

If you need assistance with your enrolment please contact the Faculty of Science, Engineering & Technology – telephone (03) 6226 2125.
